Rainer Krümpelbeck

Occupational safety specialist

This certificate is based on the "SARS-CoV-2 Occupational Health and Safety Standards" published on 16.04.2020 and the BMAS regulations in force at the time of inspection, such as the "SARS-CoV-2 Occupational Health and Safety Regulations" and the SARS-CoV-2 Occupational Health and Safety Ordinance. In the event of changes to the content or adaptation of the published regulations, this certificate loses its validity and must be reviewed again.
